

Ancillary

Product Portfolio

Thank you for considering our Ancillary & Inspiring Spaces Portfolio. We believe a thoughtfully designed ecosystem supports employee wellbeing by providing individuals and groups a range of destinations and technologies within the workplace that support the ways people create. By considering design, materiality, and uncompromising performance – for the employee, for the organization, and for designers & decision makers – employees and organizations can unlock their promise.

On behalf of our brands and our partners, please find in the following pages products from Steelcase, Coalesse, turnstone, Designtex, Blu Dot, Bolia, FLOS, Mitchell Gold + Bob Williams, and Viccarbe. Our portfolio is constantly evolving, so we suggest frequently checking with our sales teams and www.steelcase.com for the most current offering.

Thanks again for your consideration.

A dimly lit interior scene featuring a long, light-colored wooden dining table with a white top. Two modern, white plastic stools with metal wire bases are positioned at the front of the table. The table is cluttered with various items, including books, a pen holder, and a small bowl. The background consists of a dark, textured wall with three geometric wireframe pendant lights hanging from the ceiling. To the right, a brick wall and a window with a small plant on the sill are visible. The overall atmosphere is moody and contemporary.
