# FLEX COLLECTION

## Portable

With a thin-edge detail and a dual-sided writing surface, the lightweight markerboards (under 10 lbs) are easy to move. Plywood edge banding helps protect from damage in a mobile environment.

## Flexibility!

### Flex Markerboards Steelcase

Steelcase Flex Markerboards allow ideas to flow and concepts to be shared. Grab a fresh markerboard and use it with the stand for a quick brainstorm. Create, share and showcase your work with Steelcase Flex Markerboard Solutions.

- 1 **Flex Power Hanger**
- 2 **Flex Wall Rail**
- 3 **Flex Freestanding Screen**
- 4 **Flex Stand**
- 5 **Flex Accessory Cup**
- 6 **Flex Markerboard Solution**

## Mobile Storage

The [Flex Board Cart](#) can store up to eight markerboards or screens so you can take your work with you when on the move. Or dock a board in clips on the [Flex Team Cart](#) for a quick, impromptu collaborative session. When work is done, the work moves or stores easily.

**Flex Acoustic Boundary**  
Steelcase

The multi-use [Flex Acoustic Boundary](#) is a necessity in any busy team space. It provides acoustic performance, space division and a visual display area. Grab the handle and go – the acoustic boundary is easy to move. Integrated clips allow you to display markerboards vertically or horizontally.

**Flex Active Frames**  
Steelcase

[Active Frames](#) gridded and modular structure allows for short or long term reconfiguration and provides the adaptability needed in a resilient and evolving workplace. As team and workplace needs change, so can Active Frames. Add doors and locks to create personal lockers or increase the height and width for more privacy in a space. Active Frames can support a wide ranges of needs in the open office.

**FLEX COLLECTION**

**Flex Media Cart**  
Steelcase

Technology-agnostic and effortlessly mobile, Steelcase [Flex Media Cart](#) keeps up with people, projects and organizations on the move. It holds any monitor up to 65 inches wide and moves with ease across the open plan, to training rooms, meeting spots and more

**Flex Tables**  
Steelcase

Steelcase [Flex Tables](#) offer a modern and approachable vibe to the Workplace. Soft corners and a wide range of material options allow for personalization and expression in any team space. The table's optional wheels provide the ability for you to easily move it across a team space.

### Flex Power Hanger

Steelcase

The [Steelcase Flex Power Hanger](#) is an ultra-mobile power solution that lets you connect to power nearby at all times. Weighted and rubberized to stay put on flat surfaces, it also can hang on a peg or board clip.

### Powerstrip Intro

Steelcase

Steelcase [Powerstrip Intro](#) puts power within your reach. Powering devices has never been an easier, more affordable choice. Optional under worksurface utility power offers a choice of 4 or 7 power outlets under the desk, all connected to the desktop powerstrip. Ideal for powering computers, monitors, a height adjustable desk and more while keeping your worksurface clean and cord-free.

### Powerstrip Plus

Steelcase

With Steelcase [Powerstrip Plus](#), every desk becomes an inviting place to plug in. USB-C, USB-A and standard power outlets come together in a variety of configurations and colors. Powerstrip Plus works above the worksurface and below where it provides discreet utility outlets. Everything connects to a single UL-listed cord to the floor.

## POWER ACCESSORIES

### Making Power Accessible

Readily accessible power is an essential need in today's workplace.

### Thread

Steelcase

[Thread](#) simplifies power distribution - providing power to the devices we use and the places where we work and learn. Thread's simple kit of parts provides power to any space allowing under-utilized real estate to work harder.

### Universal Modular Power

Steelcase

Steelcase [Universal Modular Power](#) and [Relay Modular Power](#) systems activate shared spaces – making power outlets, USB-A, and USB-C ports easy for teams to find and use in almost any space. Extending up to 50 feet both systems offer power above and below the desktop. All powered by a single outlet. No hardwiring or electrician needed.

### Omni Power Station 40+ Omnicharge™

The Omni 40+ portable charger is equipped with five different charging methods to provide a flexible and convenient power solution. With 3 high-powered USB-C ports, 2 fast-charging USB-A ports, and AC and DC ports, you have all the ports you could ever need.

### Mobile Power

Mobile power creates an environment where teams and individuals can be flexible in where they work.

### *Wireless charging!*

### Omni Power Station 20+ 120v Omnicharge™

The Omni 20+ is a portable laptop charger that is fast and reliable. Perfect for charging laptops, cell phones, and any other piece of tech you need on the go. It's the perfect power companion. With high-power capabilities for fast, wireless charging, you can get the benefits of flexible and reliable power from this charging bank no matter where you are.

## POWER ACCESSORIES

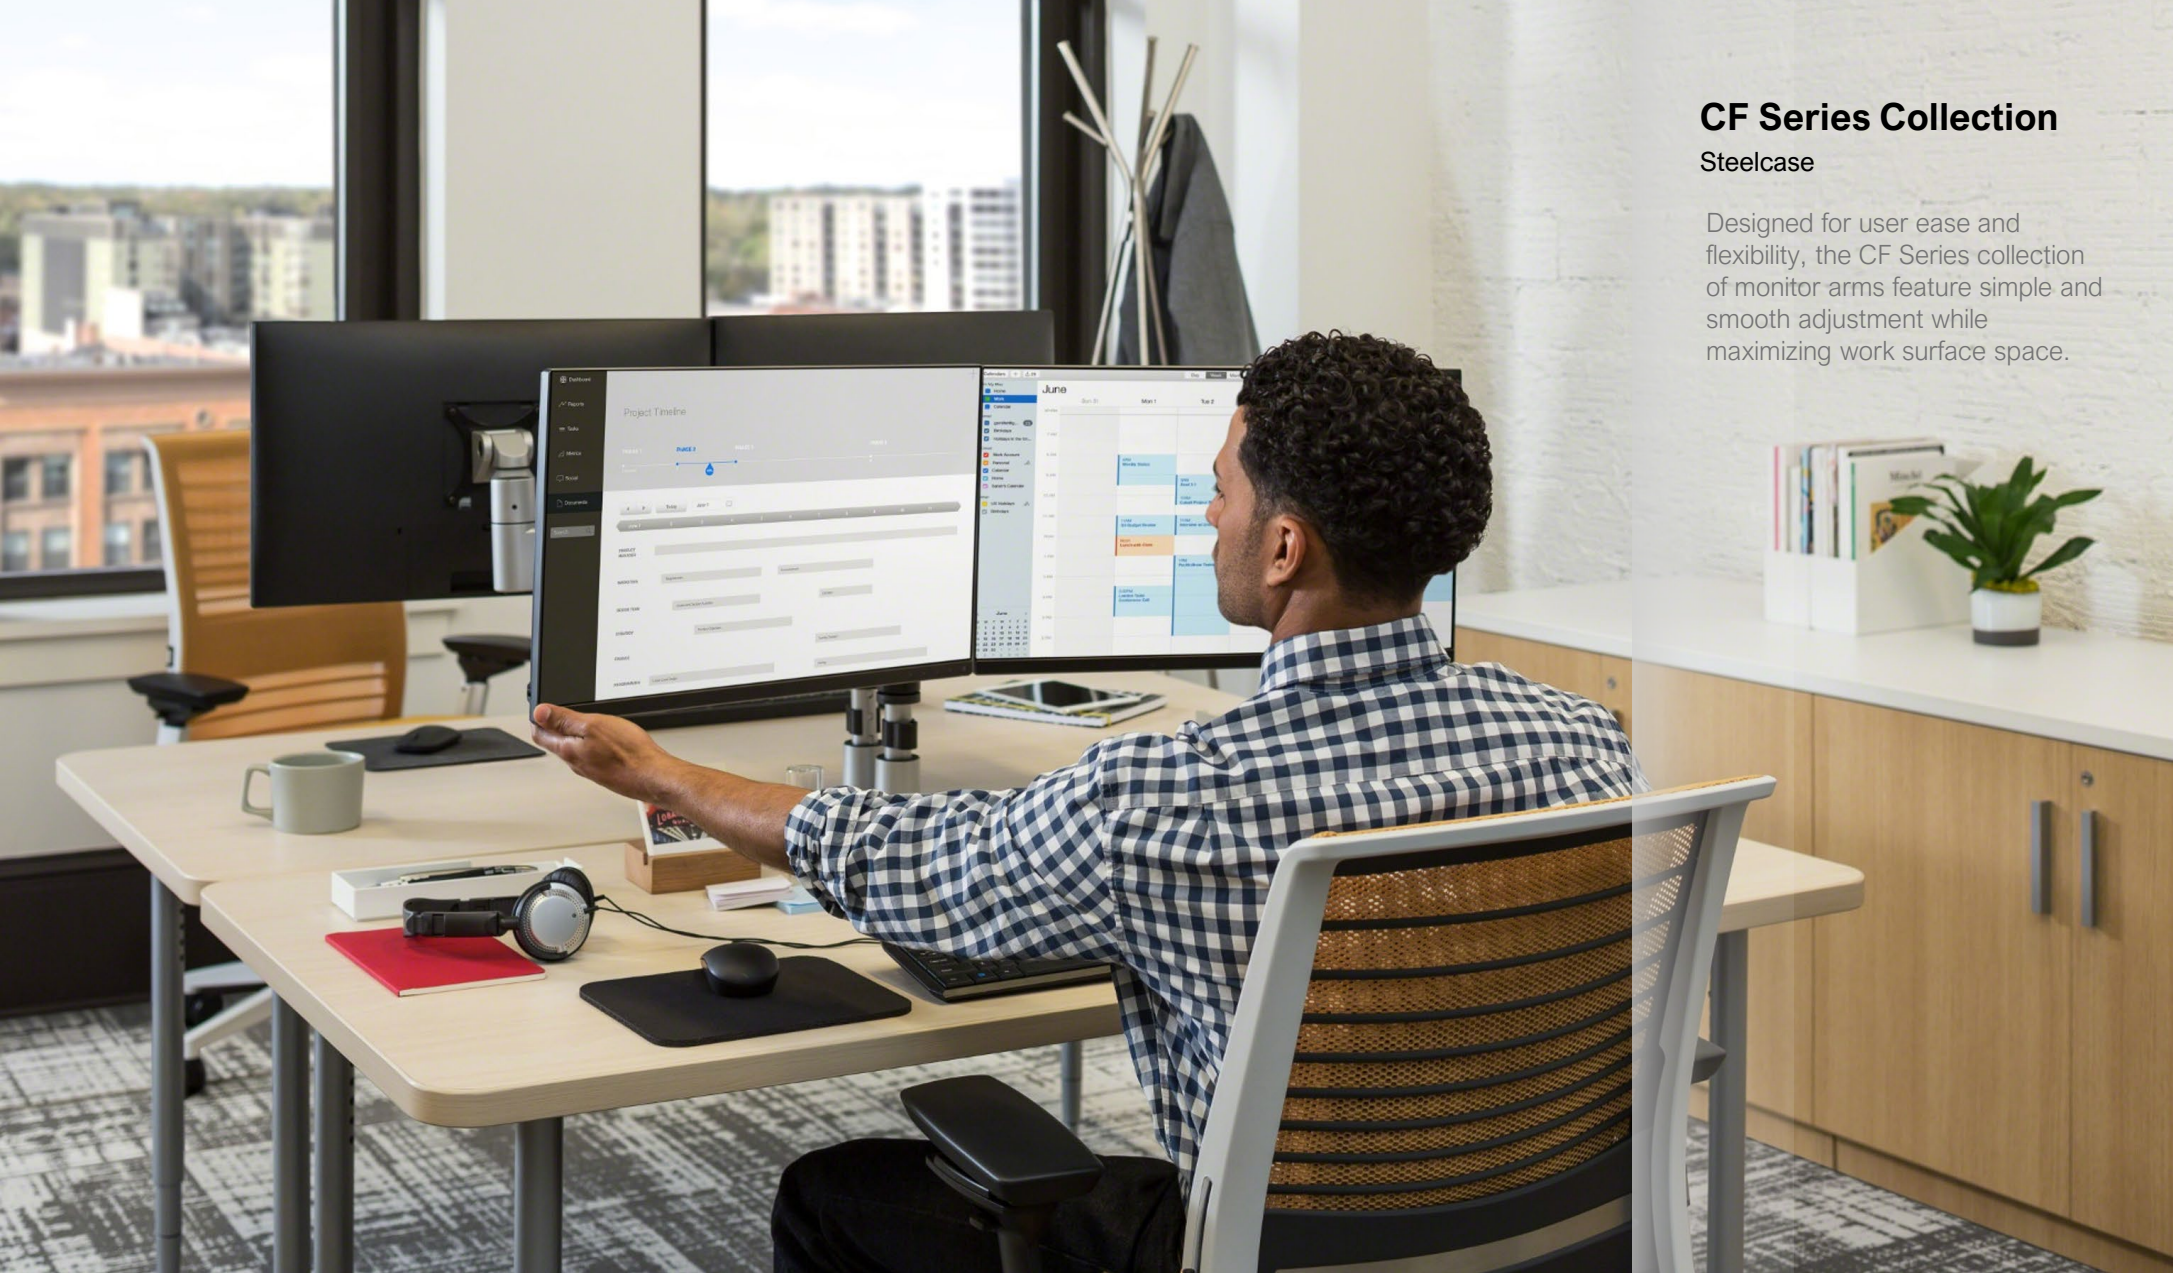

### Flex Dock Steelcase

Steelcase Flex Dock is an easy and power packed way to display from laptop to monitor. It provides immediate connection to display, data and power, while keeping cords and cables out of sight.

Offering a powerful set of ports, Steelcase Flex Dock is made for fast-loading, smooth-streaming, media-rich work. It supports up to two 4k monitors and features two USB-A ports, two Thunderbolt™ 4 ports and an audio jack.

### CF Series Collection

Steelcase

Designed for user ease and flexibility, the CF Series collection of monitor arms feature simple and smooth adjustment while maximizing work surface space.

## COMPUTER SUPPORT TOOLS

### CF Intro

Steelcase

Advanced features at a value price point, CF Intro supports both single and dual monitors. Integrated cable management keeps cords and cables hidden and organized. Quick release VESA Plates make it easy to secure and release monitors from the arm. The [CF Series Intro](#) collection is built to glide, swivel and extend to support your workflow and ergonomic comfort.

### CF Plus + Plus HD

Steelcase

[CF Plus](#) and [Plus HD](#) offer a wide range of options that can easily adapt based on the need. Sliders, extenders and dual bar support allow for retrofit and reconfigurability if desired. Use as a single, dual or triple arm.

### CF Static

Steelcase

Sleek and strong, this arm supports anything from a single display to a six-monitor application. Available to order with distinct accessories like extenders, laptop holders and three pole height.

## Universal Cable Management Kit

Steelcase

Beneath most desks in the modern workplace is a growing chaos of cords. The Steelcase [Universal Cable Management Kit](#) makes neat work of power access. Available in two sizes, the cable management tray mounts discreetly under all Steelcase worksurfaces, fixed or height-adjustable.

Use with Steelcase [Powerstrip Plus](#) (shown) to add convenient USB-C, USB-A and standard power outlets above the worksurface and utility power below – with one-cord-out simplicity.

# ORGANIZATION

## SOTO

Steelcase

Support practical needs and reclaim workspaces with the wide-range of organizational products available through [SOTO](#).

### 1 SOTO Organization Boxes

SOTO offers an array of tool, utility, file and personal boxes to manage a clutter-free workspace by keeping items separate but within arm's reach.

### 2 Dash mini LED Freestanding Light

[Dash LED](#) task lights offer individuals added control and adjustability to place the proper amount of task lighting to create a holistic work setting. Available with optional USB port and/or Occupancy Sensor

### 5 Monitor Bridge

Reclaim workspaces by securing and elevating monitors, tablets and laptops as second screens. Optional shelf (shown) can support three SOTO personal boxes for additional organization

### 6 Rail

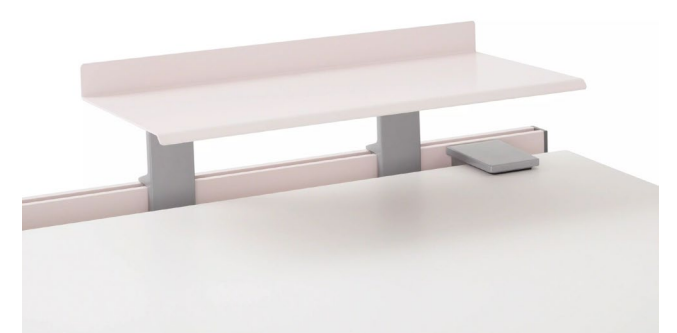

Add a SOTO Rail to desks to better use vertical space. Attach items like lighting, monitor arms, screens, shelves (shown) and powerstrips onto the SOTO Rail to keep desks work-ready and clutter-free.

### 3 Functional Screen

Attach to the front edge or cover the seam of any standard worksurface to provide workers with organization, boundary and privacy.

### 4 Mobile Caddy

Store personal and professional items ranging from work bags to laptop cases. Inline casters make items easily accessible, while allowing for quick storage under worksurfaces.

SOTO Organization Accessories  
Steelcase

Flex Accessory Baskets  
Steelcase

You don't have to sweat the small stuff with Steelcase [Flex Accessories Baskets](#). Small conveniences like baskets give that personal but practical touch. Just grab what you need and go. Made of molded PET felt – available in Heather Navy or Heather Grey.

100% Wool!

Double Tuck Basket  
Blu Dot

Crafted from 100% felted wool, [Double Tuck Baskets](#) utilize tabs and slots to transform flat cut felt into functional and fetching repositories for all your clutter. Available in small, medium and large sizes.

ORGANIZATION

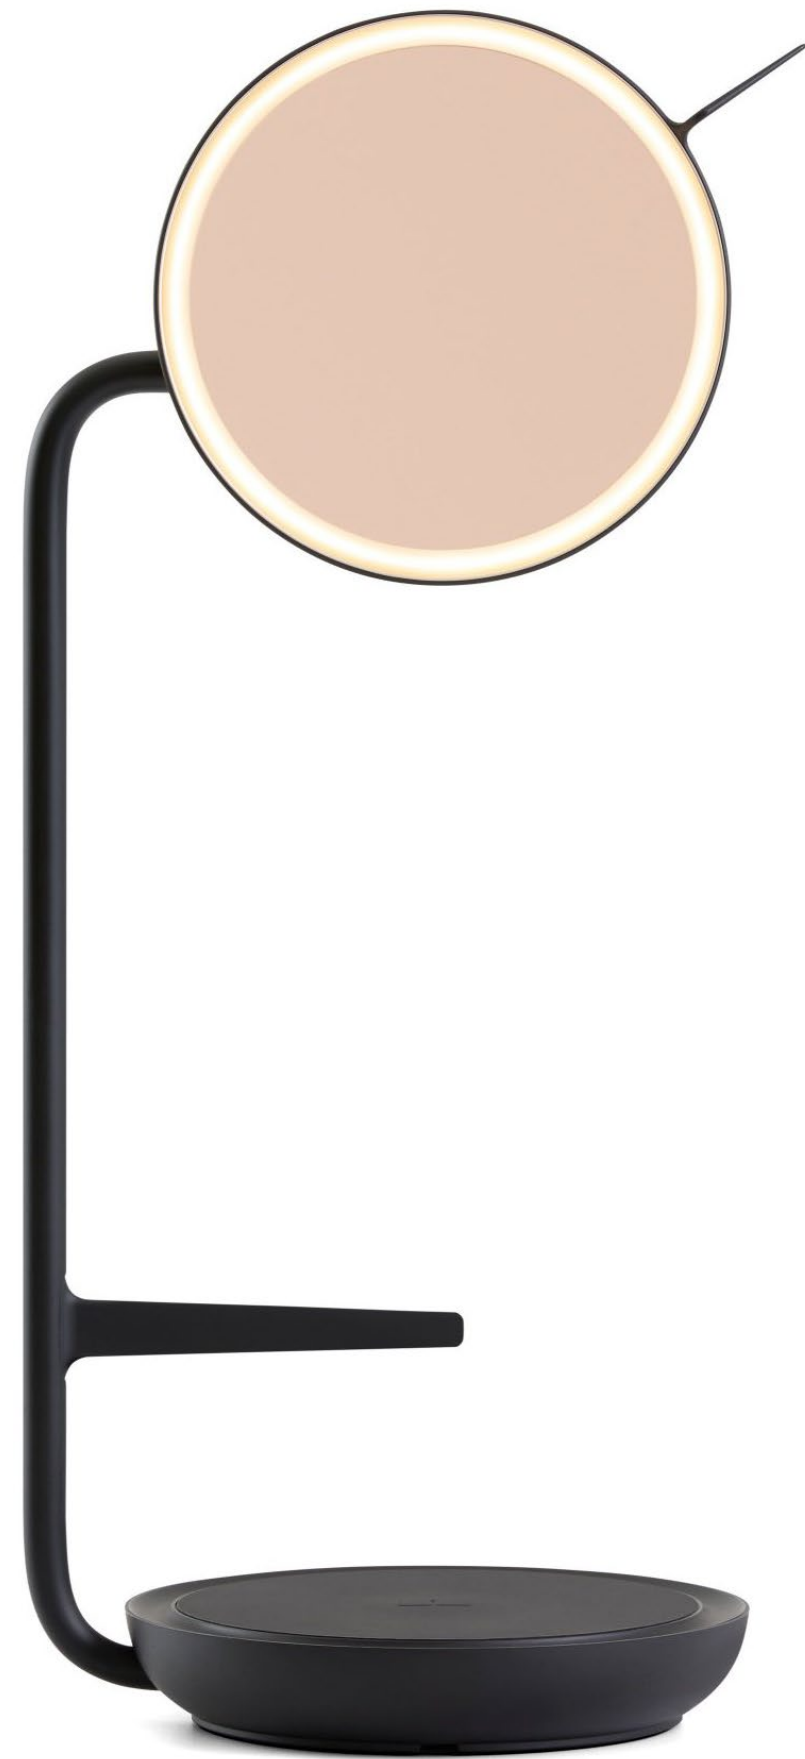

SLATWALL + SLATRAIL  
Steelcase

Slatwall and Slatrail extend the opportunity to configure worktools in an infinite number of ways. Choose from a host of compatible accessories to customize storage in your space.

- 1 Double Square Dish**  
Offers compact storage to hold the little things that clutter the desktop and drawers within easy reach.
- 2 Pencil Cup**  
Keeps your pencils, pens, scissors and markers right at your fingertips. Place in convenient location to prevent twisting and reaching.
- 3 Personal Shelf**  
Handy storage or display platform for your personal items and office tools. The raised front edge helps prevent items from falling off.
- 4 Dash mini LED Task Light**

*Wireless charging!*

## Eclipse Light

Steelcase

Both a task and video light, Eclipse is highly adjustable, with a copper tinted mirror and wireless charging to keep employees confident and connected throughout the day.

# TASK LIGHTING

## LED Radial Desktop

Steelcase

## LED Linear Desktop

Steelcase

## LED Intro Task Light

Steelcase

## LED Linear Shelf Light

Steelcase

LED Linear Shelf light offers standard or high-output fixtures with continuous range dimming of light output from 100% to 15%. Available in four widths with an optional occupancy sensor that turns off the light after 30 minutes of inactivity. Fixtures are available as stand-alone power or daisy chained.

## LED Shelf Light

Steelcase

LED shelf light uses 50% less energy than traditional T8 shelf lights and is designed to magnetically mount to Steelcase bins and shelves (screw mount also available).

### Customizable!

#### CeramicSteel Sans™

Polyvision®

CeramicSteel Sans™ offers a modern take on the traditional framed whiteboard with the option to personalize with color and patterns. It's precision cut with sealed edges and simple installation, appearing as if it's floating on the wall.

#### Accord™

Polyvision®

Discover the convenience of Accord – a frameless, mixed-media collaborative board combining the durable dry erase surface of CeramicSteel with a sound-absorbing tackboard.

#### Collaborative Toolbar

Polyvision®

## WHITEBOARDS

### Glass

Polyvision®

Polyvision Glass easily attaches to any wall using z-bracket mounts to appear as if it's floating-creating a striking visual focal point that seamlessly completes any space.

Glass boards are easy-to-clean, available in 3 standard sizes and 25 standard colors - with the option to create custom colors. Accepts rare-earth magnets.

*Helps with acoustics!*

### Textura Mobile

Polyvision®

Blend sound-diffusing acoustic panels with durable CeramicSteel writing surfaces for a multipurpose collaborative worktool on wheels. [Textura Mobile](#) creates separate spaces and muffles the masses for enhanced focus time and more private meetings.

### Groupwork Whiteboards

Steelcase

Groupwork whiteboards are designed to support the dynamic nature of collaborative work - from conference rooms and training spaces to cafés and lounges - and every space in between. Available with laminate markerboards or e3 CeramicSteel on both sides. Glides or casters - 3 and 4 leg options. Marker trays are also available.

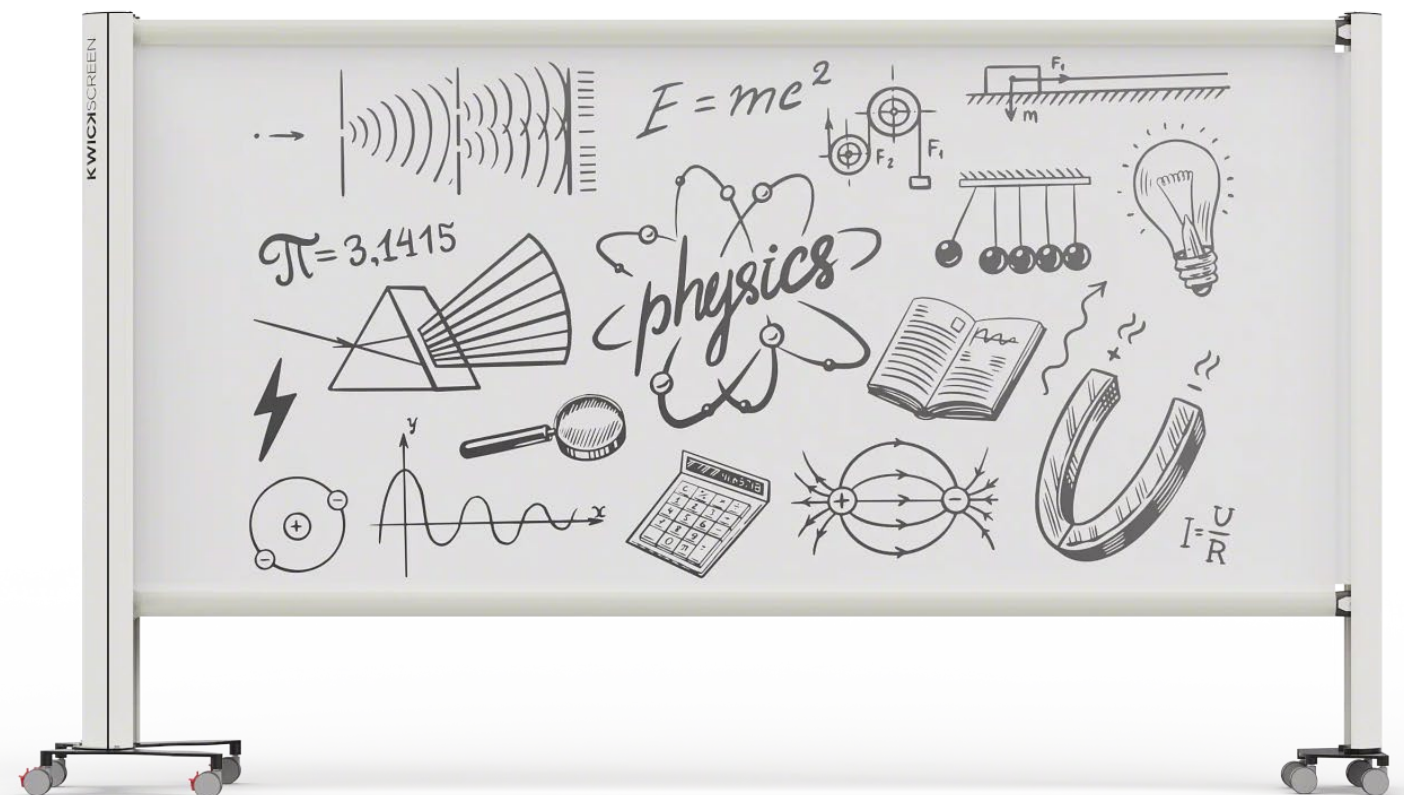

## WHITEBOARDS

### KwickSketch

KwickScreen®

[KwickSketch](#) is a retractable and portable whiteboard that transforms any space into a flexible and engaging learning environment.

*Outdoor!*

### **Shade Rug** Nanimarquina

The Shade collection is inspired by the magical moments of nature, where colors blend together and speak for themselves. Shade is available in four ombre palettes: from turquoise to aubergine, from reddish to Klein blue, from raspberry to forest green and from gray to maroon brown.

### **Lookout Lounge Chairs** Blu Dot

All-weather rope weaves around a tubular aluminum frame forming an architectural silhouette that suspends you in serenity. The Lookout Lounge fulfills your hammock dreams without the need for trees.

## OUTDOOR SPACES

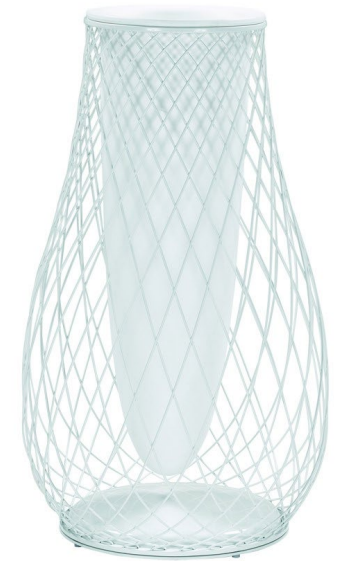

### **Pantagruel Picnic Table** Extremis

# OUTDOOR SPACES

- 1 **Hot Mesh Stools**  
Blu Dot
- 2 **Radius Ficonstone Planters**  
West Elm Contract
- 3 **Hopper AA Table**  
Extremis
- 4 **Sticks Divider**  
Extremis
- 5 **Terramare Seating**  
EMU

**Heaven Vase**  
EMU

Graceful weave. Through a unique process of weaving and welding, metal mesh drapes like fabric in the [EMU Heaven Series](#) - creating seating and planters with a lightness and finely gauged softness.

## *Indoor/Outdoor!*

**Plot Planters**  
Blu Dot

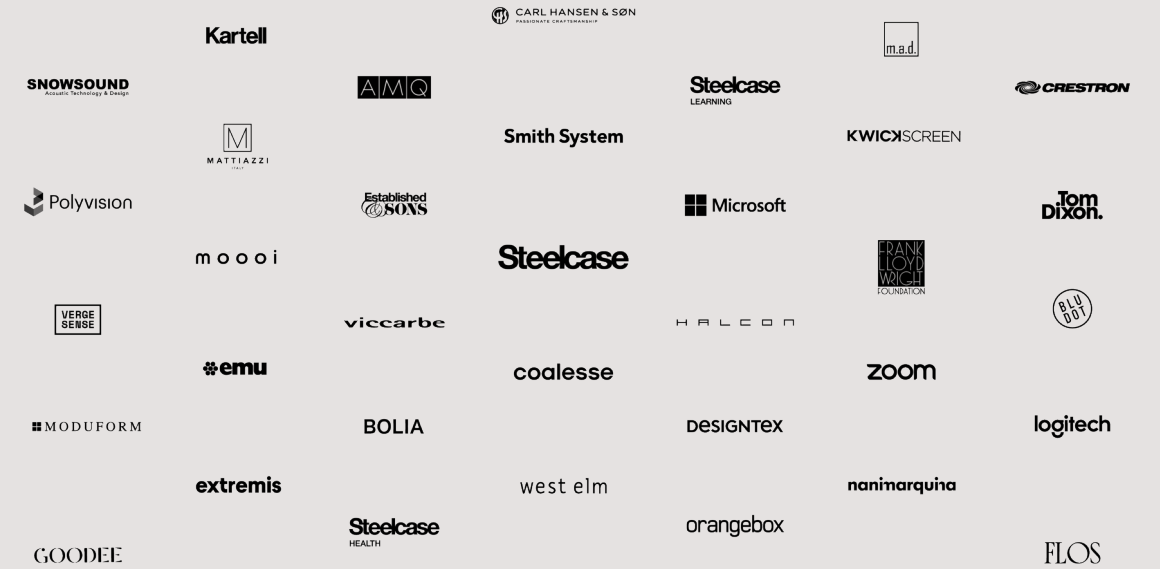

Green thumb or all thumbs, [Plot Planter](#), in three sizes, improve the chance of your plants looking sharp even when you forget to water them. Powder-coated aluminum with a removable plastic drainage plug. Use inside or out.
