Our Services

Incorporating a variety of workspaces is crucial for maximizing productivity and efficiency. Different tasks demand different environments—personal areas for focused work, collaborative spaces for teamwork, and social zones for informal discussions.

✓ Delivery + Installation

Experience hassle-free delivery and professional installation with Storr's reliable service. Our meticulous attention to detail ensures your designs are realized exactly as envisioned, saving you time and stress.

✓ Project Management

Benefit from precise project management that keeps timelines and budgets on track. Storr's experienced project managers handle every detail, enabling you to focus on creativity and client satisfaction.

✓ Warehouse Storage

Our facilities are equipped to handle large volumes of items, providing safe, accessible storage that meets inventory management needs.

✓ Commercial Flooring

Storr provides durable and stylish flooring solutions that stand the test of time, ensuring your projects look impeccable for years to come.

New + PreOwned Furniture

Not only do we provide new furniture and equipment, but Storr also offers high-quality pre-owned pieces that meets your needs while providing cost savings. Our pre-owned options are thoroughly inspected and refurbished to ensure they meet the highest standards of quality and functionality.

Read more about how we transformed Central Pines Regional Council's new workspace using a blend of new and pre-owned furniture.

✓ Design Planning + Resources

Our designers excel in modern workplace trends, combining innovative design with practical solutions. Resources include concept moodboards, thought starters, application development, budget estimators, WorkBetter research, end-user workshops, and pilot experiences.

✓ Commercial Move Services

We offer reliable commercial move services for government offices, ensuring a smooth transition with minimal downtime. Our team manages every aspect of the move, from planning and logistics to execution, ensuring that your new office is up and running quickly and efficiently.

✓ Buyback + Disposal

Support sustainability with our buyback and disposal services. Storr responsibly manages end-of-life assets, helping you meet environmental goals and promote a greener future.

✓ Records Management

Maintain organized and accessible records with our secure and efficient records management solutions. Storr's reliable system ensures your important documents are always safe and within reach, simplifying project administration.

✓ Cleaning + Disinfecting Services

Keep your spaces pristine and safe with our thorough cleaning and disinfecting services. Storr's rigorous standards maintain the highest levels of hygiene, ensuring health and safety for all occupants.

Personal Spaces

Achieve the perfect balance between focused work and team connections in owned and shared personal spaces.

Empower individuals with control over their work environment, offering them the freedom to express their personality and a sense of security, all while keeping productivity at the forefront.

Workstations

Teams need a home base – a space where they can do focus work and have spontaneous moments of collaboration.

Access to personal storage, a height-adjustable desk and an ergonomic chair, are necessary for today's teams.
